

Announcement and Call for Papers

32nd Mycotoxin-Workshop 2010

We cordially invite you to join us at the

32nd Mycotoxin Workshop in Lyngby, Denmark, 14th-16th June 2010.

The conference is organized by the Technical University of Denmark, in cooperation with the Society for Mycotoxin Research. The Mycotoxin Workshop is a highly interdisciplinary scientific meeting, covering all facets of mycotoxin research (*e.g.* biology of production; chemotaxonomy; chemistry and analysis; toxicology; occurrence; impact on agricultural production, public health; prevention and control; *et al.*).

Conference Venue: Technical University of Denmark (www.dtu.dk), Anker Engelundsvej (Building 303), DK-2800 Lyngby, Denmark (14 km north of the centre of Copenhagen).

Call for papers: You are invited to submit abstracts (oral and poster presentations) before 29th of March, 2010. Peer-reviewed contributions to this conference will be published in Mycotoxin Research.

Further details concerning registration, travel, accommodation, and abstract submission will be available soon via:
